A Civil Demise

Jesus H. Christ, they’re
criminalizing politics!

Freshen your drink, Senator?
Do you have an attorney yet?

Staff has prepared a list.
We never forget our friends.

Take that to the bank!
What’s...? I missed...

Oh? Forget the metaphor
you’re interested in cash?

Well if wit were a crime...
Anyway, hear what that snot
reporter said on Lou Dobbs?

When you die
they’ll screw you
into the ground!

Yeah, I agree.
Death of civility.
That’s the true shame!

Hey! That’s your theme
on Oprah next week, okay?
Staff’ll prepare...but

watch she doesn’t sneak up.
If she does, cry. Cite God.

Both at once best ac-
cording to our polls.
